ClearOne®

VIDEO COLLABORATION

COLLABORATE® Live 600

COLLABORATE® Live solutions are the most versatile video collaboration room systems of their kind in the market. COLLABORATE Live 600 is a complete video collaboration system that delivers crystal-clear full duplex audio and high-quality video, perfect for mid-sized meeting rooms.

> Two CHAT 150 speakerphones that daisy-chain to provide crystal-clear audio clarity.

> One UNITE® 200 PTZ camera with 1080p60, 12x optical zoom to capture all participants in the room.

> User interface as intuitive and simple as familiar mobile or tablet devices.

> Monitor, control, and audit Versa Pro CT with CONVERGENCE™ unified AV network management software

> COLLABORATE Space is a powerful collaboration application with a full suite of audio, video, and meeting tools in a persistent space.

Better Together
Includes two CHAT 150 speakerphones that daisy-chain to provide crystal-clear audio clarity.
